

We want to win the Spartan Cup (Class of 2013 version)

Oh yeah we tell you good news
We think you'll be so proud
When we say that good news.
Class of Twenty-Thirteen wins
We want to win the Spartan Cup
We want to win the Spartan Cup

Oh please say (Twenty-Thirteen)
You'll let us be the winner
And please say (Twenty-Thirteen)
You'll let us win the Spartan Cup
We want to win the Spartan Cup

And when we win
We tell our Mom and Dad
It's such a feelin' that our parents
Cheered for us
Cheered for us
Cheered for us

Yeah, you got that somethin'
I think you'll understand
When we say that somethin'
We want to win the Spartan Cup
We want to win the Spartan Cup
We want to win the Spartan Cup

And when we win
We tell our Mom and Dad
It's such a feelin' that our parents
Cheered for us
Cheered for us
Cheered for us

Yeah, they got that trophy
We think you'll be so proud
When we feel that somethin'
We want to win the Spartan Cup
We want to win the Spartan Cup
We want to win the Spartan Cup
We want to win the Spartan Cup
